### **DETAILS**

This call is open to all artists working in North America.

There is no fee to submit.

All Artists Submissions will receive an **honorarium of \$100** upon installation. Additional funds can be raised by the artist, with web presence and support from Artpark Visual Arts Staff. *Consultations made upon request.*

**APPLICATION DEADLINE:** July 15, 2020  
Submit application & optional sketches to: [twinslow@artpark.net](mailto:twinslow@artpark.net)

### **GUIDELINES**

- We suggest using materials that feel referential to the idea of fairy
- Entries must be free-standing, and of sound, safe construction. Works may not exceed 10 feet in height. Installations must be maintenance-free for the duration of the exhibition, and deemed safe for public display. Artpark reserves the right to remove unsafe structures
- The theme of the build may be anything you wish.
- Sketches suggested, but not required

*Consider the idea of fairy and the notion that they are the guardians of the natural world. In building, be mindful of the human connection to nature and the environment. Wonder how to suggest the idea of sustaining a viable earth for future generations. Envision how fairies might feel.*

### **INSTALLATION**

- Works may be installed on **SATURDAY, AUGUST 15, 9AM-11AM.**  
*Special arrangements for larger works may be made upon request.*
- Please enter at South Fourth Street: cross the parking lot, on your immediate right, to the Information Center to install
- **THE FESTIVAL WILL BE HELD 12PM-4PM.** Works may be de-installed at 4PM.  
*Special arrangements may be made for larger works upon request & agreement.*
